Our community based before school, after school and holiday programmes operate from the Belfast Community Network based in lovely Sheldon Park next to Belfast School. Our programmes provide a safe, caring environment for children aged 5-13 years with breakfast and afternoon teas by the Cooking Club with kai grown by our Gardening Club from our wee garden Te Maara Raurau.

As a BCN programme we have lots of support from our amazing community work team and local service groups and business', often our families can take local produce home that are donated to our programmes. Please contact us via our email for fees and enrolment information at oscar@belfastcommunitynetwork.org.nz or go to our website for more details www.belfastcommunitynetwork.org.nz for further details.
